

Western States Conference for Pharmacy Residents, Fellows, and Preceptors

ATTENDEE CODE OF CONDUCT

The Western States Conference Board of Directors have developed the following guidelines for all conference attendees. These guidelines are intended to encourage thoughtful and appropriate conversations with fellow attendees and presenters, to prevent disruption of presentations, and to foster the mission and vision statement of this organization.

MISSION

To provide an excellent professional conference where pharmacy residents and fellow come together to formally present their major projects, learn about the work of their peers, and grow their professional network.

VISION

The Western States Conference shapes the clinical pharmacy practitioners and educators of tomorrow by orchestrating idea sharing between new and experienced pharmacists in an innovative, supportive, and professional environment.

Failure to respect these guidelines will result in termination of attendance privileges.

REGISTRATION

- A. All attendees must be a registered attendee.
- B. The Western States Conference badge must be worn at all times while in the presentation rooms and conference areas.

CONDUCT

- A. Conversations within the presentations will be of a professional educational nature. Any questions or comments that can be perceived as inflammatory in nature should be taken off line to be addressed with the individual presenter after the presentation has concluded.
- B. The ability to attend this conference and to conduct professional activities is a privilege. The guidelines described above will be enforced by the Western States Board of Directors.
